Promote a healthy and active lifestyle as your company aligns with one of the largest, most wide-ranging urban redevelopment programs in the country that connects 45 neighborhoods — the Atlanta BeltLine.

About BeltLine Health & Fitness Programming

A connected network of vibrant neighborhoods is fundamental to the vision for the Atlanta BeltLine. The Atlanta BeltLine Partnership has developed a comprehensive health and wellness program to promote active lifestyles and foster healthier outcomes for residents.

The Atlanta BeltLine provides a unique environment to facilitate many of life’s greatest passions, and it is our commitment to make these opportunities available to all, including providing free fitness classes around the Atlanta BeltLine.

As Atlanta’s largest free fitness provider, we provided more than 375 classes to 2,578 participants throughout the BeltLine corridor in 2018!

Your sponsorship helps keep the Atlanta BeltLine vision on track by enabling the construction of more parks and trails, engaging the public through tours, health and fitness programs, and special events, and empowering Atlanta BeltLine residents to connect with jobs, housing, and better health.

Who We Are

Formed in 2005, the Atlanta BeltLine Partnership (ABP) provides the collaborative platform advancing the Atlanta BeltLine project. ABP enables the project by raising money from the private sector and philanthropic community; engages the public through programming, events and activities; and empowers residents of Atlanta BeltLine neighborhoods through partnerships that bring about positive outcomes in the areas of health, housing and economic opportunity.

Atlanta BeltLine, Inc. (ABI) was formed in 2006 to manage the implementation of the Atlanta BeltLine project. Tasked with overseeing the planning and execution, ABI works closely with City of Atlanta departments to define details of the plan, secure public funding, inform and engage members of the community, and serve as the overall project management office for construction of the trails, transit, parks, and other key components.
