Where Atlanta Comes Together

## THIRD QUARTERLY BRIEFING OF 2017 – **UPDATED**

### ***New Meeting Location, Date & Focus!***

Our Third Quarterly Briefing of 2017 will now be held at Washington High School. The new focus of the presentation will be a discussion on the selection process for Art on the Atlanta BeltLine. We encourage everyone to attend to share your thoughts about how this process may be more inclusive moving forward. This conversation will be followed by a featured presentation on the 2017 Art of the Atlanta BeltLine program in its entirety. In addition we will provide the latest updates on trails, transit, and greenspace design. We hope you can join us for this important conversation.
