Where Atlanta Comes Together

CITYWIDE CONVERSATION - ART ON THE ATLANTA BELTLINE

Join us to review and provide comment on the proposed changes for Art on the Atlanta BeltLine. Following this discussion we are seeking input on a larger vision as we develop an Arts and Culture Strategic Implementation Plan.

Last season, we heard you when you said that we could do things differently with the *Art on the BeltLine* program. We listened to your feedback as you suggested changes to *Art on the Atlanta BeltLine*. A draft of the proposed changes can be found at beltline.org/engage-meetings. Following discussion about *Art on the Atlanta BeltLine* we will kick off the planning process for developing a Strategic Implementation Plan for Arts and Culture on the Atlanta BeltLine.

The Arts and Culture Implementation Plan will support strong, livable communities and increase creative activities along the Atlanta BeltLine. This plan should address methods to utilize the unique transformative potential of the Atlanta BeltLine to improve neighborhood connectivity and access to cultural amenities. It will also detail opportunities for visual and performing arts, historic considerations/exhibits, as well as actionable funding strategies.

Please join us to help shape the future of Arts and Culture along the Atlanta BeltLine.
