Where Atlanta Comes Together

## CITYWIDE CONVERSATION: IOT.ATL (INTERNET OF THINGS ATLANTA)

### *Join us to learn about the IoT.ATL AgTech Challenge (Internet of Things Atlanta) on the Atlanta BeltLine!*

Atlanta is searching for solutions to improve food resilience at home and abroad through a partnership with Invest Atlanta, City of Atlanta, the Atlanta Metro Chamber, Georgia Power and the Atlanta BeltLine. The result is the IoT.ATL AgTech Challenge!

This 12-month demonstration program is selecting six startups to tackle issues in urban agriculture using IoT. They will pilot their programs in 20-foot shipping containers along the Atlanta Beltline. We hope you will join us to learn more about this innovative program and where it will be located on the BeltLine trails.
