SOUTHWEST + SOUTHEAST STUDY GROUP – SUBAREA 2 MASTER PLAN UPDATE

Want to help guide the future of your community? Join us for a Saturday morning design workshop as a part of the Subarea 2 Master Plan Update.

This is the second in a series of public meetings to gather community input on the Subarea 2 Master Plan, which is undergoing its first update since being adopted in 2009. Help refine and update recommendations in the existing plan to reflect current circumstances and community goals.

A presentation will be followed by an open house-style workshop to collect input on land use and zoning, mobility and transportation, community fabric, greenspace, and other elements.
