Where Atlanta Comes Together

SOUTHWEST + SOUTHEAST STUDY GROUP – SUBAREA 2 MASTER PLAN UPDATE

Join us and provide input for the Subarea 2 Master Plan update!

In 2007, master planning began by looking at the one-half mile on either side of the Atlanta BeltLine corridor to create a framework to support future growth and transit in the corridor. There are 10 distinct subarea masterplans for the Atlanta BeltLine and they are subject to periodic review and adoption by City Council.

In this meeting we are seeking community input to update the Subarea 2 Master Plan, which was adopted in 2009. We will be evaluating the original plan recommendations, examining existing conditions with regards to land use, zoning, mobility, greenspaces, etc. and highlighting what has occurred in the community since the Master Plan was adopted.
