NORTHEAST STUDY GROUP – SUBAREA 5 MASTER PLAN UPDATE

Want to help guide the future of your community? Join us and provide input for the Subarea 5 Master Plan update!

This is the first in a series of public meetings to gather community input on the Subarea 5 Master Plan, which is undergoing its first update since being adopted in 2009. Help refine and update recommendations in the existing plan to reflect current circumstances and community goals.

A presentation will be followed by break out conversations to collect input on land use and zoning, mobility and transportation, community fabric, greenspace, and other elements.
