WESTSIDE STUDY GROUP: WESTSIDE TRAIL DESIGN

Join us to discuss design of the Westside Trail Extension!

Come hear the latest updates on design of the Westside Trail Extension north from Lena Street to Maddox Park and Marietta Blvd. This extension will also connect the Bankhead and English Avenue neighborhoods with a multi-use path from the Westside Trail to the PATH Foundation's trail at the Georgia World Congress Center.

This meeting will discuss the trail alignment, kick-off of the design and provide an opportunity to give feedback which will help inform the design process. We are in the process of selecting a design team and will be back to you later this year to gather more input.
