Meet the Contractor – Astra Group, Inc.

Jose Hasbun
-----
Project Manager
• Q: What hours is the contractor allowed to work?
  • A: M-F 7AM – 7PM; Sat & Sun 9AM – 5PM (at ABI’s discretion).

• Q: Are there any areas of the Southside Trail-West that will be open during construction?
  • A: No, due to massive grading that will require cutting through an existing 20+ foot high banked slope at Pittsburgh Yards.
• Q: Will community members be able to apply for vacant positions on the construction project?
  • A: Yes. Please contact Worksource Atlanta for details.

• Q: Where will construction access points be located?
  • A: Construction vehicles will enter the corridor from Allene Avenue and Pryor Road.
Detours along University Avenue

Southside Trail-West Groundbreaking

When: Wednesday, January 22, 2020 at 11 a.m.
Where: Southside Trail between Allene Avenue and University Avenue

Join us to celebrate the first phase to begin construction, known as Southside Trail-West, a 0.75-mile portion of the overall four-mile southside corridor, which extends from the Westside Trail to Pittsburgh Yards on University Avenue.

Please join us!
