

**DEPARTMENT OF TRANSPORTATION  
STATE OF GEORGIA**

**SPECIAL PROVISION**

**ATLANTA BELTLINE, INC.  
BILL KENNEDY WAY INTERIM TRAIL**

**Section 150 – Traffic Control**

---

*Retain section 150 as written and add the following:*

**SECTION 150.6 SPECIAL CONDITIONS:**

A. Lane Closures

1. Single Lane Closures:

- a. Single lane closures area allowed between the hours of 8:30am and 2:00pm and 7:00pm to 6:00am Monday through Thursday
- b. Single lane closures are allowed between the hours of 8:30am and 2:00pm on Friday and between 7:00pm Friday to 6:00am Monday
- c. The contractor will also be allowed to close one (1) lane along Bill Kennedy Way for up to seven (7) consecutive calendar days of installation of multi-use trail. Lane closures may begin at 8:30am on the first day and must be removed by 3:30 pm on the seventh day. Coordinate with the Engineer, Georgia Department of Transportation and the City of Atlanta Department of Public Works a minimum of two (2) weeks prior to the proposed lane closure. Lane closure shall be provided per the GDOT Standard 9107 and the MUTCD, current edition.

2. Double lane closures are not allowed at any time except as noted in item 3 below

3. Pedestrian access shall be maintained at all times on one side of Bill Kennedy Way and any other adjacent local street. Sidewalk detours shall be provided as necessary per GA STD Details T-20, T-21 and T-22 and the MUTCD, current edition. A canopied walkway may be required to protect pedestrians from falling debris, as described in the MUTCD.
