TADAC

Annual Business Meeting

Saturday, January 30, 2021

Via Zoom

Facilitators: Kyle Lamont, Kim Copeland, Dawn Brockington-Shaw

Purpose

The purpose of the Beltline Tax Allocation District Advisory Committee is to make recommendations to Atlanta Beltline, Inc. and the City on the issuance, allocation, and distribution of tax allocation bond proceeds within the BeltLine Redevelopment Area and receive information from ABI to monitor the effective and equitable implementation of the BeltLine Redevelopment Plan. At this year's annual meeting, we are coming together to:

- review previous recommendations to determine if those recommendations need to be moved forward.
- develop new recommendations based on TADAC challenges and opportunities.

Last year, TADAC was less productive due to the pandemic. We are looking for TADAC and the subcommittees to set goals that move recommendations forward for significant impact on the Atlanta Beltline, Inc. This year, we will make more strides in being better able to serve our role as advisors to ABI, stewards of TAD Funds, and public representatives.
