# SUBAREA 4 MASTER PLAN UPDATE KICK-OFF!

## Southeast Study Group

Join Atlanta BeltLine, Inc. (ABI) as we prepare to update the Subarea 4 Master Plan. The Subarea 4 geography includes neighborhoods of Reynoldstown, Cabbagetown, Glenwood Park, Grant Park, Edgewood and Ormewood Park.

In this meeting, we are seeking input from community as we shape a shared vision for landuse, zoning, mobility and greenspace in the Subarea. We will report on existing conditions and open a discussion for participants to describe their vision for the Subarea. Participants will be asked to voice their ideas on questions like *What do you dislike that needs to be changed? What is missing that you would like to see in the study area?*

Take a few minutes and explore our project website. You can participate in interactive activities and share your thoughts—
