REYNOLDSTOWN COMMUNITY SPACE ENGAGEMENT

Southeast Study Group

Join Atlanta BeltLine, Inc. (ABI) for one or both meetings as we prepare to build the Reynoldstown Community Space located just north of Muchacho on the Atlanta BeltLine Eastside Trail between Memorial Drive and Fulton Terrace SE/Mauldin St. SE.

The Reynoldstown Community Space is intended to be a cultural landmark featuring monumental artwork, amenities for performances (contemplating power and sound connectivity), and seating in the Reynoldstown community on the Eastside Trail. This design will combine public art, landscaping, and path connections.

This community amenity and landmark will transform an existing interim performance space into a long-term feature to facilitate performance art, such as musical acts and theater as well as provide space for family reunions, small weddings and friendly gatherings. The activity potential of this space has already been proven through ten years of performances and exhibits as part of *Art on the Atlanta BeltLine*.

VIRTUAL PUBLIC MEETING

Thursday, Feb. 3, 2022
6:30-7:30pm

Online Details at
beltline.org/meetings or dial in:
Phone: 929-205-6099
Meeting ID: 831 5332 5483

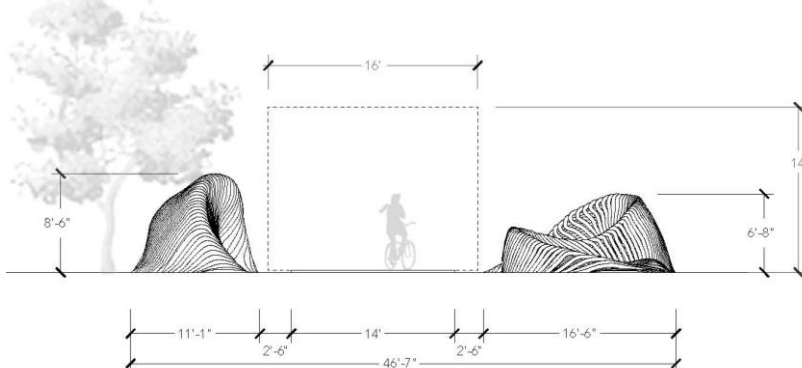

IN PERSON PUBLIC WORKSHOP

Saturday, Feb. 5, 2022
