SUBAREA 4 MASTER PLAN UPDATE KICK-OFF!

Southeast Study Group

Join Atlanta BeltLine, Inc. (ABI) as we update the Subarea 4 Master Plan which is a plan to guide growth for vibrant, livable mixed-use communities by applying best management practices for transit-oriented development, mobility, affordable housing, green space and alternative modes of transportation.

In this meeting, we are seeking input from community as we review goals for land use, mobility, and greenspace. We will also provide a detailed analysis of existing conditions in the subarea that will help inform the future design workshop in October. The meeting will conclude with questions and discussion.

Take a few minutes and explore our project website which includes interactive activities and a survey. <https://bit.ly/BeltlineSA4>.
