AVON AVENUE REDEVELOPMENT

Southwest Study Group

Come hear the latest about the future site development of 1150 Murphy Avenue – also known as the Avon Avenue property. In this meeting, we will share the findings of the feasibility study for the site and surrounding area. These findings will help set the stage as we move towards spring of 2022 where we will gather feedback that will inform our procurement “Request for Proposals” to purchase and develop the site.

For your convenience, this public meeting will be broadcasted to Facebook Live and recorded for future reference.
