CITYWIDE CONVERSATION – EQUITY & INCLUSION

*Join us to learn how we're using
data to advance equity*

Join Atlanta BeltLine, Inc. (ABI) as we host our first Citywide Conversation of 2022. This conversation will focus on how Atlanta Beltline, Inc. is using data to inform policies, programs, and strategies to advance equity along the Beltline.

Our partner, Neighborhood Nexus, will demonstrate how the Beltline is using data tools to understand and address disparities along the Beltline. Our hope is to have a transparent data-supported conversation about the Beltline that is centered around equity and inclusion.

The public meeting is being held virtually.
